CUSTOM ARTWORK GUIDELINES

ACCEPTED FILE TYPES:

Vectorized AI (Adobe Illustrator) or PDF –
Rasterized images will be recreated as close to the original as possible

SUGGESTED FILE SETUP:

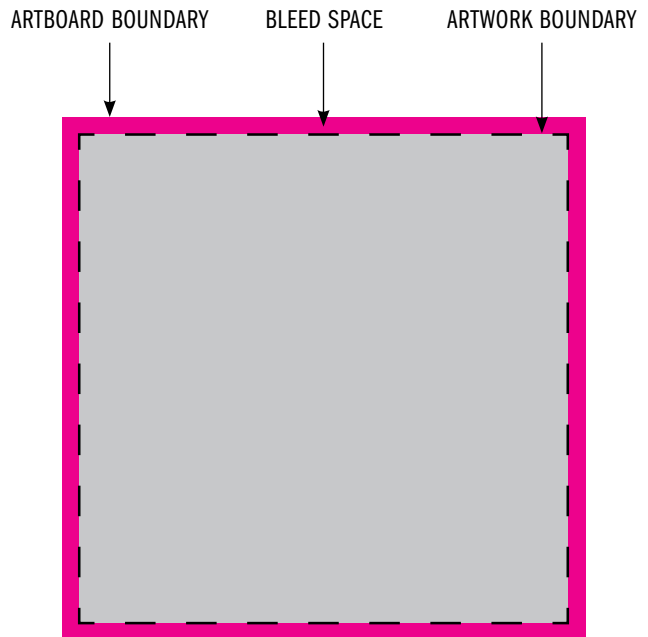

- Square Artboard: 10-15cm
Space between edge of artboard and logo (approx 1mm)
- If logo is white please place over grey or black background

VECTOR DESIGN REQUIREMENTS:

- All text must be converted to outline
- All lines/strokes must be expanded to a shape
- Convert all gradients to a single colour fill

COLOUR MATCHING:

We strongly recommend adjusting logo colours to comply with you colour selection during checkout before uploading to Locker Room. See our colour list for RGB/CMYK values to match.

Note: colours will appear darker than the physical production. Use the “Pantone Match” to accurately visualize final colours. They will be adjusted to the adicolour before submitting to the factory.

If artwork is not colour matched—we will adjust artwork to match colours selected during checkout.

DESIGN ELEMENTS TO AVOID PER EMBELLISHMENT TYPE:

Each embellishment type has different capabilities that can prevent more detailed artwork from being feasible

EMBROIDERY	HEAT TRANSFER	SUBLIMATION
<ul style="list-style-type: none"> • COMPLEX/TINY DETAILS MAY NOT BE ABLE TO BE PRODUCED • SHARP POINTS MUST BE ROUNDED OUT 	<ul style="list-style-type: none"> • AVOID SHARP CORNERS/POINTS TO PREVENT POTENTIAL PEELING • SMALL LETTERS/DETAILS MAY REQUIRE A BACKGROUND/FILL TO PRODUCE 	<ul style="list-style-type: none"> • SMALL/SKINNY DESIGNS HAVE POTENTIAL TO BLEED

FACTORY FEASIBILITY: Artwork may need to be adjusted to comply with our factory feasibility requirements. Please adjust any artwork to comply with the below minimum allowances before submitting.
